TWO CHINESE PROVINCES ANNOUNCE ALLEGIANCE TO THE CZAR OF RUSSIA

MONGOLIA AND TURKISTAN PROCLAIM INDEPENDENCE OF THE EMPIRE OF CHINA

RUSSIA IS EXPECTED TO AN-
NOUNCE ANNEXATION WITH-
IN SHORT TIME, THUS OFFSET-
TING THE INFLUENCE OF
JAPAN IN MANCHURIA—
THRONE FORMALLY ACCEPTS
PLAN FOR NEW GOVERNMENT.

PEKING, Dec. 28.—The throne to-
day formally accepted the plan for
reverting the future form of gov-
ernment in China to a rational con-
vention, and promised to abide by
the decision.

The partition of China has already
begun. The provinces of Mongolia
and Chinese Turkestan today pro-
claimed their independence from
China and announced their allegiance
to Russia.

The territory included in these
provinces nearly equals China
in size and has a population of
about 2,500,000 people. In announc-
ing independence the government at
Peking is declared to be a failure.

Russia is expected to announce
the annexation of Mongolia and
Chinese Turkestan soon, thus effec-
tively offsetting the influence of Japan
in Manchuria.

CHICAGO TO BE WIDE OPEN FOR NEW YEAR'S REVELERS

MAYOR HARRISON SAYS LID
TO CITY WILL BE TOSSED INTO
LAKE MICHIGAN TO BE LOST
UNTIL 3 A. M.

CHICAGO, Dec. 28.—Despite nu-
merous petitions circulated by Chris-
tian Endeavor, civic societies and
kindred organizations and presented
to Mayor Harrison, asking that the
city be kept quiet New Year's eve,
the mayor today reiterated his state-
ment that the lid to the city would
be tossed and left to float New Year's
eve. Revelers in cafes and saloons
will be undisturbed by the police or
city officers until 3 o'clock in the
morning.

ANOTHER FOOT BALL GAME NEW YEAR'S DAY.

At a meeting of the heads of the
Halifax Rifles and Daytona teams
Wednesday evening it was decided
to play another game New Year's
day, the game to be started at 2:30;
the same time the last encounter
was commenced. After the holiday
vacation is over a number of players
will be gone again so the game Mon-
day will be at a probability the last
between the two teams. However, if
the support accorded the game Mon-
day seems to indicate that more
football is desired, an effort will be
made to combine the two teams and
bring some outside talent here for a
game.

This will come after the coming
game, however, and it is for the
success of that alone that the boys
are working now. The game last
Monday was very creditable to both
teams, and with the practice and
experience gained in that contest,
together with several changes in the
line-up of each team, the lovers of
the game may look ahead to a very
much improved band of foot ball
next Monday. The game will be
played at Harrison park, which place
is two blocks west of the F. E. C.
railway tracks on Cedar street.
Tickets will be on sale soon.

accompany them in another car be-
came fearful of the weather and

FREEZING TEMPERATURE PREDICTION

WEATHER MAN SAYS FROST
WILL SETTLE HERE TONIGHT

THIS SECTION OF THE COUNTRY
GETTING TASTE OF BLIZZARD
RAGING THROUGH THE NORTH
TODAY.

Daytona and this section of the
country is today experiencing a
decided change in temperature from
what has been experienced for sev-
eral weeks, the sudden drop in tem-
perature being a light sample of
what the residents of the north are
contending with at this time.

That it will be much colder tonight
than last night is the prediction of
the government weather forecaster,
who says a frost will settle down on
all the country as far south as Fort
Lauderdale. Local residents, particu-
larly the fruit growers, are prepar-
ing for the worst tonight, taking for
granted the forecaster is making a
correct prediction.

Telegraph reports to the Daily
News today say the north is in the
grip of a blizzard, with a heavy
storm of sleet and snow, accompanied
by a high wind. Indications are
this section of the country is feeling
the south end of this storm.

Frost Throughout South—
WASHINGTON, Dec. 28.—The gov-
ernment weather prediction for to-
night is for freezing temperatures
throughout the southern states with
the frost extending into Florida as
far south as the 26th parallel.

Two of Cold in Chicago—
CHICAGO, Dec. 28.—With the mer-
cury standing at seven degrees
above zero Mrs. Ida Maloney and
Mrs. Hattie Schuler died from the
cold today. An unknown man, aged
about 50, well dressed, was found on
Dearborn avenue nearly frozen to
death. His recovery is doubtful.

Blizzard Through North—
GRUE, Pa., Dec. 28.—A heavy snow
and sleet storm, accompanied by a
high wind, covers this section to-
day. The mercury is near zero
and the people are suffering with
the cold.

BUFFALO, N. Y., Dec. 28.—This
city and this section of the country
are in the grip of the worst blizzard
of the season today. The heavy fall
of snow is accompanied by a high
wind and the mercury is only a few
degrees above zero.

The regular meeting of the Hotel
Men's Association of Daytona will
be held tomorrow evening at

ment of the delegates from the
convention of the passenger agents
Sunday afternoon will be made and

MORE CARS ARE NEEDED FOR AGENTS

CITIZENS ARE URGED TO HELP
IN ENTERTAINING DELGATES

OWNERS OF AUTOMOBILES WHO
WILL DONATE USE OF MA-
CHINES SUNDAY AFTERNOON
REQUESTED TO SPEAK.

The committee of the board of
trade and the hotel men's associa-
tion, which have in charge the pre-
parations for the entertainment of
the delegates from the Association
of American Passenger Agents dur-
ing their stop in Daytona next Sun-
day afternoon, need more automobile
to carry the passenger men from the
depot to the automobile clubhouse
and for a ride on the beach after the
buffet luncheon. Owners of cars who
have the interests of the city at
heart enough to donate the use of
their cars for the afternoon are ur-
gently requested to send their names
and the number of persons the car
will carry to the Daily News office
at once.

The passenger agents are attend-
ing the annual convention now in
session in Jacksonville and they
will start south on their trip to
Cuba Saturday evening. The night
will be spent in St. Augustine and
the special train is expected to ar-
rive in Daytona at 1 o'clock Sunday
afternoon. The agents will be met
at the depot with automobiles to
carry them to the automobile club-
house for the buffet luncheon. After
the luncheon it is the desire of the
committee to take the delegates
for a ride on the beach, then they
will be entertained by the hotel men
at supper. The special train will
resume its run south about 9 o'clock
in the evening, the next stop sched-
uled being Palm Beach.

These passenger agents are in a
position to do much boosting for
Daytona with people who enquire of
them the best places in the south
to spend the winter season and a
favorable impression of the city dur-
ing their stay here will undoubtedly
result in much good advertising for
Daytona and vicinity.

The automobile owners are urged to
assist in the entertainment to the
extent of donating the use of their
cars and all are requested to send
in their names at once.

SEVERAL EXHIBITS OF LARGE SWEET POTATOES

There are several displays of
large sweet potatoes in the city in
addition to those exhibited in the
Daily News window. In the Mill's
restaurant there are four fine tubers
raised on ordinary sand hammock by
Starling Shepherd, who lives just
west of Kingston. The largest of
these potatoes weighs nine pounds
and is a very handsome specimen,
almost round in shape. There are
also several large potatoes on dis-
play at the Edmondson & Donnelly
real estate office, one of which is
much drawn out, being over two feet
in length. These potatoes were
raised by A. E. Mason, while those
in the Daily News office were grown
by E. R. Kindig, of Second avenue.

TEHERAN, Dec. 28.—It is reported

TOTAL OF \$150,000 VELVET FOR GROWERS THIS SEASON

GREEN FRUIT SHIPMENTS HAVE
BEEN LESS THIS YEAR AND
MARKETS OF THE NORTH ARE
MORE OPEN.

Since the first car of Florida fruit
went out this season, there has
never been a minute when the
markets of the north have been in
such condition that an order to stop
shipping was necessary. In other
seasons it has been found necessary
to shut down many exchange pack-
ing houses before this time of the
year for periods ranging from a day
or two to a week or more, and to
ask independent shippers not to
send oranges to market until con-
ditions improved.

Green fruit shipments were all
that were curtailed and this season
only about 1,000 cars of this class of
fruit went out, as against 2,500 in
former years. These went largely at
the expense of the shippers and will
serve to cut the number of cars still
lower next year. California, too,
has been disciplined somewhat by
the green fruit agitation and only 500
cars have reached market so far
where usually there are at least
1,000 to 1,500 cars in market by this
time.

As a result of these conditions
the prices this season for Exchange
fruit have averaged at least 30 cents
a box above the prices obtained day
for day, last season. If this is kept
up during the entire season, there
will be \$150,000.00 more money in
the pockets of the growers of South
Florida for the same fruit, even fig-
uring on the "shop crop" basis.

It is our desire to call to your
attention the convenience that we
can extend to you in a banking way
and also the advantages of using
the check book instead of the pock-
etbook.

Nine tenths of the business of
the world today is done by check.
Why?
Because it is the most practical
and it is the one safe way!
Are you utilizing a check book

Think this over.

Our bank's advantages for your

GOOD SHOW IS COMING

NEXT WEEK SATURDAY.

The United Play company will present Charles Klein's play, "The Third Degree," at the new Daytona theater, Saturday evening, January 6.

Mr. Klein is the author of the well known play, "The Lion and the Mouse," which was also produced by the United Play company. While "The Lion and the Mouse" dealt with characters high in politics and speculative commerce, in "The Third Degree" the story is laid in New York and deals with men and women in the smart set and the methods of the police in wringing confessions of guilt through the sweating process of "The Third Degree."

ORMOND

ORMOND, Dec. 27—Miss Mary Corne and Miss Mary Simmerel and Hubert Price are home from Winter Park for the holiday season.

Mrs. M. J. Lawrence and Mrs. Rigby of Yonkers, N. Y., have arrived for the winter.

The annual Sunday School Christmas entertainment was given Christmas Eve at the V. I. A. rooms, where a jolly good time was had by young and old alike. J. A. Reilly personated old "Santa" to the delight of the youngsters.

Mr. Weatherbee has rented his Lincoln avenue cottage for the winter season to R. G. Turner.

The reception to be given by the Village Improvement Association Friday evening, the 29th inst., has been postponed until Friday evening, January 5. Do not fail to come, especially the young men.

The first annual reception given by the Ormond Yacht Club was held last Tuesday evening, the nature of which was an oyster supper given in the club rooms. Owing to the limited space invitations were made by card only. The rooms were very tastefully decorated in palms and the American flag. The supper itself could not be surpassed and much credit is due to the chef, A. B. Kimball.

Chas. McNary, president of the club, welcomed the guests and introduced J. A. Reilly as toast-master, who delivered himself in fine style. The following gentlemen offered toasts, all of which were full of wit and humor and kept the guests in almost constant laughter: Rev. Dr. Richmond, A. G. Weatherbee, I. Sawyer, James Carnell and Dr. Crutcher.

One said thought was the reference made by Dr. Crutcher of the absence by death of Joseph D. Price.

Dressed in spotless white coats and aprons, the following members served as waiters: Messrs. G. A. Carleton, Arch. and Norman McNar Stanley and Darrell Carnell and Ernest Lowe. They not only showed up well as to appearance, but performed their duties like those long trained in the service.

The following friends were among those present: Dr. and Mrs. J. D. Richmond, Dr. Hall, Mr. and Mrs. A. K. Baker, Rev. Dr. McGrath, W. A. Cory, Hubert Price, Mrs. H. B. Shaw and mother, Mrs. Andrews, Dr. and Mrs. Crutcher, J. A. Reilly, Mrs. Ada Hinkley, Mrs. Hartwell Green, Mrs. James Carnell, Mr. and Mrs. John Milligan, Mr. and Mrs. Vogt, Mrs. Daniel Abbott, Mrs. Anna Watson, Mrs. Knowlton and daughter, Miss Barker, Mr. and Mrs. Jas. E. Francis, Mrs. Simrall, Mrs. Macon Thornton, Miss Seabloom, A. W. Street, Wm. Wm. Durrett, Lou Riehl, and Mrs. Hinchman, Harry Wardwell and Frank Maslin.

The whole affair was a complete success and will no doubt be long remembered.

Motoring at Its Best.

Few motorists know of motoring in all its fullness. They drive along country roads for a hundred miles or so, through towns so closely set that they virtually run through one long village, and they think they have motored. They cross the ocean and enjoy the perfect roads of France and Switzerland, and imagine they have experienced all there is in life in the motor car; but no one has ever been brought to a full realization of what motoring really is, or what the wonderful modern machine of man's creative genius is really capable of doing until they have sat in a racing car side by side with an expert driver and tasted the sport as it is under such conditions. Lord Byron once wrote: "What a delightful thing is a turnpike road, such a means of speeding the earth as scarce the eagle in the broad air can accomplish." He certainly spoke in prophecy of the motor car, and especially of the racing machine, which defies distance and shrinks space into the most tiny proportions.—The Columbian.

When Pugilism Was Underpaid.

Cribb received a public ovation when he returned to London, and Holborn is said to have been rendered impassable by the assembled crowds. He gained only \$2,000 by the fight—a contrast to the enormous amounts received—win or lose—by present day glove fighters.

Two interesting books recently added to the public library are a Register of Porto Rico, profusely illustrated and filled with information regarding the island, and "Broadway, the Greatest Street in the World," with a description of New York from the Battery to Albany. Both volumes were the gift of Dr. J. S. Latimer of Mt. Vernon, N. Y., who is a regular winter visitor to Daytona.

Mr. and Mrs. E. T. Conrad and Mrs. F. N. Ross of Fairview avenue, left at the same time in the doctor's comfortable cruising boat, Columbia II, which he built last season. Dr. and Mrs. Ross will cruise to Miami and the Florida keys and will probably be gone two months or more as they expect to spend some time also with Mrs. Ross' mother at Mangonia on Lake Worth.

W. J. Bethel is spending the holidays with his family in their recently purchased home at the corner of Ridgewood and Second avenues, having come over from Gainesville last Sunday.

A gasoline stove used by Mr. and Mrs. J. H. Arthur in their apartments in the McFadden building, corner of Beach street and Ivy Lane, caught fire this morning when being lighted and for a time gave them quite a scare. The flames were subdued, however, by means of a fire extinguisher which fortunately was near at hand and no damage resulted.
